

Game Description

Name: Conquer The Holy Land

Goal: To get to the starting position faster than the competitors.

Extended description: The game allows to play from 2-5 players giving the option to each player to choose the team it wants. Once each player is assigned a team, the player who has chosen the 'State of Israel' starts the game throwing the die (results in a number between 1 and 6). This player moves along the board (Map) the same amount of steps. Then the next player in line throws the die and so on until the game is finished when one player reaches the starting position.

Features: When one player steps on the same field in which other player is, it 'kills' him, meaning that the player loses one life and has to get another member of his team. If there are no more members, that player has lost.

If a player gets two times 6 with the die, it unlocks a special character which has different characteristics depending on the team.
